Limited Review Report

Review Report to,  
The Board of Directors  
MEP INFRASTRUCTURE DEVELOPERS LIMITED

1. We have reviewed the accompanying statement of consolidated unaudited financial results of **MEP INFRASTRUCTURE DEVELOPERS LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net profit/(loss) after tax and total comprehensive income / loss of its associates and joint ventures for the quarter ended September 30, 2019 and for the period from April 01, 2019 to September 30, 2019 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by an Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. Those standards require that we plan and perform the review to obtain moderate assurance about whether the financial results are free of material misstatement(s). A review is limited primarily to inquires of the company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. The Statement includes the results of the entities as mentioned in Annexure A in so far as they relate to the consolidated results in the statement.

**5. Review Conclusion**

Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**6. Emphasis of Matter**

- (i) We draw attention to Note 5 to the Statement, where it is mentioned that one of the subsidiary company has preferred claims with National Highway Authority of India (the Authority), aggregating to Rs. 33,973.75 lakhs plus interest thereon on account of Toll Evasion and Force Majeure issues arising from non-compliance of the Concession Agreement by Authority. However, the Company's subsidiary has not recognized the claims in the financial

statements pending final approval from the Authority. Also, the Subsidiary Company has not recognized contractual obligations to pay to the Authority, a sum of Rs. 13,123.19 lakhs for the period from November 1, 2014 to April 08, 2016. The approval by NHAI of the claims made by the company, based on the assessment of the Independent Engineer appointed by it, is pending and hence no provision for the unpaid amount is considered necessary till June 2019.

- (ii) We draw attention to Note 7 to the Statement, where it is mentioned Toll collection activity of MEP Hyderabad-Bangalore Toll Road Private Limited was suspended by the authority on February 27, 2019. Consequently, on May 27, 2019, Authority unilaterally issued termination notice. Aggrieved by the decision of authority, the company has filed writ petition before Hon'ble High Court of New Delhi and the matter is currently sub judice.
- (iii) We draw attention to Note 8 to the accompanying financial results which states that, in accordance with the terms and conditions of the contract, the Company has lodged the claim amounting to Rs. 7,491.94 lakhs with South Delhi Municipal Corporation (SDMC) on an estimated basis pertaining to the period with respect to revenue loss on account passing of commercial vehicles through free lanes at 13 major border entry points of Delhi. Thereupon, SDMC has constituted a committee to quantify the claims and give its recommendations. Since the Company is confident about the recovery of its claim, the same has been recognized during the period pending decision of the committee.

Our conclusion is not modified in respect of these matters.

**Notes:**

- 1) The Consolidated Un-audited Financial Statements for the Quarter and Half Year ended 30 September 2019, have been reviewed and recommended by the Audit Committee and approved and taken on record by the Board of Directors at their respective meetings held on 14 November 2019. The Statutory Auditors have carried out a limited review of the Financial Results for the Quarter and Half Year ended 30 September 2019.
- 2) The Consolidated Un-audited Financial Statements are prepared in accordance with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the rules made thereunder and in the format as prescribed under Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. The financial information presented above is extracted from and is harmonized to conform with the Un-audited Financial Statements.
- 3) The Consolidated Un-audited Financial Results of the Company are available on Company's website i.e. www.mepinfra.com and also on the website of National Stock Exchange of India Limited, www.nseindia.com and the BSE Limited, www.bseindia.com, where the shares of the Company are listed.
- 4) The depreciation and amortisation expenses includes amortisation of toll collection rights amounting Rs 12,967.56 lakhs for the half year ended 30 September 2019. (Rs 26,408.65 lakhs for the half year ended 30 September 2018).
- 5) One of the Company's subsidiary company has preferred claims with the Authority, aggregating Rs. 33,973.75 lakhs plus interest on account of Toll Evasion and Force Majeure issues arising from non-compliance of the Concession Agreement by Authority. The Company's subsidiary has not recognised the claims in the financial statements pending final approval from Authority. Under the orders of the Hon'ble High Court of Delhi, both the Company and Authority were directed to amicably settle the disputes. As a part of the amicable settlement, Independent Engineer has evaluated the claims made by the Company from time to time. However, final settlement on the same is yet to conclude. The estimated loss during the corresponding period as assessed by the Independent Engineer appointed by the Authority is much higher than the claims submitted to Authority. Hence, the Company's subsidiary has not recognised amount payable to Authority aggregating Rs Nil for the half year ended 30 September 2019 (Rs Nil for the half year ended 30 September 2018) in addition to the sum of Rs 13,123.19 lakhs for the period from 01 November 2014 to 8 April 2016. As part of the settlement, the Company, has handed over the Project Facilities and the Toll Plaza's to the NHAI from April 09, 2016. The Settlement of claims will be dealt as per the provisions of the Concession Agreement, and the matter is currently under arbitration.
- 6) The Company has adopted Ind AS 116 – Leases beginning April 1, 2019 using the modified retrospective approach. The standard has been applied to all the lease contracts existing as on April 1, 2019. Accordingly, the Company has not restated comparative information and recognised a lease liability at present value of the lease payments discounted at the relevant incremental borrowing rate. The right of use asset has been measured at the same value as that of the lease liability subject to the adjustments for prepayments and accruals. Consequent to the new standard, in the profit and loss account for the current period, the nature of expenses in respect of operating leases has changed from lease rent of Rs. 592.82 lakhs to depreciation cost for the right-to-use asset of Rs. 526.75 lakhs and finance cost for interest accrued on lease liability of Rs. 126.45 lakhs. The Profit After Tax for the current period has reduced by Rs. 39.28 lakhs. To this extent the performance of the current quarter is not comparable with the previous periods.
- 7) The Toll collection activity of MEP Hyderabad Bangalore Toll Road Private Limited was suspended by the authority on 27th February 2019. Subsequently on 27th May 2019, the Authority unilaterally issued termination notice. Aggrieved by the decision of the authority, the subsidiary Company filed a writ petition before Hon'ble High court of New Delhi and the matter is sub judice.
- 8) The Company has lodged the claim amounting to Rs. 7,491.94 lakhs with South Delhi Municipal Corporation (SDMC) on an estimated basis pertaining to the quarter with respect to revenue loss on account passing of commercial vehicles through free lanes at 13 major border entry points of Delhi. Thereupon, SDMC has constituted a committee to quantify the claims and give its recommendations. Since the Company is confident about the recovery of its claim, the same has been recognized during the half year ended 30 September 2019.
- 9) On recommendation of the Board of Directors, the Members at the 17th Annual General Meeting of the Company held on 6 September, 2019 declared a dividend @ Rs. 0.30 per equity share of the face value of Rs.10/- per share, for the year ended 31 March 2019, aggregating to Rs.5.50 Crores and the same was paid on 13 September 2019.
- 10) The Company and certain subsidiary companies have exercised the option permitted under section 115BAA of the Income-Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised Provision for Income Tax for the six months ended 30 September 2019 and re-measured in net Deferred Tax Liabilities basis the rate prescribed in the said section. The full impact of this change has been recognised in the Statement of Profit and Loss for the quarter ended 30 September 2019.
- 11) Since this is the first year of requirement of submission of statement of cash flows and there is no specific guidance by SEBI, the comparative information has been provided for previous year.
- 12) Figures relating to the previous period have been regrouped / rearranged, wherever necessary, to make them comparable with those of the current period.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by an Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance about whether the financial results are free of material misstatement. A review is limited primarily to inquiries of the company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

In view of the above, there is no diminution in the value of Investment and advances given are fully recoverable.
- ii) We draw attention to Note 6 to the accompanying financial results which states that, in accordance with the terms and conditions of the contract, the Company has lodged the claim amounting to Rs. 7,491.94 lakhs with South Delhi Municipal Corporation (SDMC) on an estimated basis pertaining to the quarter with respect to revenue loss on account passing of commercial vehicles through free lanes at 13 major border entry points of Delhi.

The Statutory Auditor has expressed an unmodified audit opinion thereon.
- 2) The Standalone Unaudited Financial Statements are prepared in accordance with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the rules made thereunder and in the format as prescribed under Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. The financial information presented above is extracted from and is harmonized to conform with the Unaudited Financial Statements.
- 3) The depreciation and amortisation expenses includes amortisation of toll collection rights amounting Rs. 744.60 lakhs and Rs. 744.60 lakhs for the quarter and six months ended 30 September 2019 respectively (Rs. 5,330.96 lakhs and Rs 7,843.73 lakhs for the quarter and six months ended 30 September 2018 respectively).
- 4) Considering the Long term business outlook and future growth plans of the MEP Group, Management is of the opinion that the losses in subsidiary companies namely MEP Nagzari Toll Road Private Limited, MEP IRDP Solapur Toll Road Private Limited, MEP Chennai Bypass Toll Road Private Limited and MEP Hyderabad Bangalore Toll Road Private Limited, are temporary in nature and overall going concern of the business is not adversely affected. In view of the above, there is no diminution in the value of Investment and advances given are fully recoverable.
- 5) The Company has adopted Ind AS 116 – Leases beginning April 1, 2019 using the modified retrospective approach. The standard has been applied to all the lease contracts existing as on April 1, 2019. Accordingly, the Company has not restated comparative information and recognised a lease liability at present value of the lease payments discounted at the relevant incremental borrowing rate. The right of use asset has been measured at the same value as that of the lease liability subject to the adjustments for prepayments and accruals.  
Consequent to the new standard, in the profit and loss account for the current period, the nature of expenses in respect of operating leases has changed from lease rent of Rs. 592.82 lakhs to depreciation cost for the right-to-use asset of Rs. 526.75 lakhs and finance cost for interest accrued on lease liability of Rs. 126.45 lakhs. The Profit After Tax for the current period has reduced by Rs. 39.28 lakhs.
- 6) The Company has lodged the claim amounting to Rs. 7,491.94 lakhs with South Delhi Municipal Corporation (SDMC) on an estimated basis pertaining to the quarter with respect to revenue loss on account of passing of commercial vehicles through free lanes at 13 major border entry points of Delhi. Thereupon, SDMC has constituted a committee to quantify the claims and give its recommendations. Since the Company is confident about the recovery of its claim, the same has been recognized during the half year ended 30 September 2019.
- 8) The Company exercised the option permitted under section 115BAA of the Income-Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised Provision for Income Tax for the six months ended 30 September 2019 and re-measured in net Deferred Tax Liabilities basis the rate prescribed in the said section. The full impact of this change has been recognised in the Statement of Profit and Loss for the quarter ended 30 September 2019.
- 9) Since this is the first year of requirement of submission of statement of cash flows and there is no specific guidance by SEBI, the comparative information has been provided for previous year
- 10) Figures relating to the previous period have been regrouped / rearranged, wherever necessary, to make them comparable with those of the current period.
