From Patanjali family and all the Patriotic citizens of our country
A Billion Salutations to more than 7 lakh spirited martyrs
who played a pivotal role in achieving Independence

On the occasion of 71st year of Independence, let's take the
pledge to embrace **SWADESHI** and help our country attain
economic freedom by completely boycotting goods by MNCs.

AN APPEAL TO ALL THE PATRIOTIC CITIZENS FOR ECONOMIC INDEPENDENCE

We have to make India a **SUPERPOWER** by the year 2040. The 125 crore citizens of this country must
together aim to achieve this goal through;
5 Pronged action plan to become a SUPERPOWER

- 1) Like our martyrs, Mahatma Gandhi, Chandra Shekhar Azad & Bhagat Singh, let us also take a
pledge to opt for **100% Swadeshi goods**. The wealth of this country should not go abroad. Save the
country from economic slavery because only a financially abundant country is capable of becoming a
superpower of the world.
- 2) To make our country self-reliant in all sectors like Education, Health, Research, Agriculture,
Security, Industry etc, every citizen must vow to work assiduously for 8 to 12 hours a day and similar
to Patanjali should start indigenous industries for the 'Arth se Parmarth' (Prosperity for charity) and
join the swadeshi movement to serve the nation.
- 3) Take pride in being an Indian by rising above the notions of caste, creed and other divisive factors.
We must accept the thought of being brave & glorious children to our motherland and that
we are the best by coming out of the destructive idea of advocating "My caste" & "My religion"
as the supreme.
- 4) Life is a disgrace if it is lived for less significant objectives. Live to make your Motherland a great
country. Convert your knowledge, skill, expertise and experience into wealth by doing result oriented
hard work (Akhand Prachand Purusharth) through target based planning.
- 5) Contribute generously towards the country as per your capability and offer whole-hearted support
to the individuals, groups and institutions that are doing exceptional work in the sphere of spiritual,
social, religious, education, politics and Industry. If you are unable to contribute directly, at least try to
bolster them by your whole hearted moral support.

Difference between Patanjali and the foreign companies

PATANJALI is steadfast in its endeavour and provides an overarching leadership by offering
Natural products with world class quality products at a low price and **100% PROFIT FOR CHARITY**.
Multi National Companies– By providing products laced with harmful chemicals at exorbitant
price not only do they loot the Indian economy, by ploughing back the profits earned to their own
countries, but also end up making our citizens unhealthy and thereby an unproductive force.
Besides, for all their tall claims, a meager 1% to 2% is spent by them on CSR activities.

SANKALP
SE SIDDHI
NEW INDIA MOVEMENT (2017-2022)

Wishing every Indian a very happy Independence Day

SANKALP PARVA

This Independence Day, let's come together
and pledge for a New India by 2022.

Prime Minister will address the nation at 7 A.M. from Lal Qila.

“ The pledge of ‘Do or Die’ in 1942 paved the way for India’s Independence in 1947. Today, with the resolve of ‘We Act together to Accomplish’ let us all 125 Crore countrymen come together and strive in spirit and soul to achieve the pledge for building a New India by 2022. Come, let us together celebrate this Independence Day as ‘Sankalp Parva’.”
