

## Company Profile

We are India's leading infrastructure operator, manager and toll collection company. We are a specialist service company, focusing on serving central and state road authorities across the country, for managing, operating and maintaining their road assets. We play a critical role in the upkeep and monetisation of such infrastructure assets, ensuring that all stakeholders, both owners and users, have the best possible yields and utilisation from each infrastructure asset. We have completed 92 projects with an aggregate of 178 toll plazas and 1046 lanes across 12 states in India since we commenced business in 2002.

We are already India's largest managers and operators of roads and highways. We have the opportunity to maintain and widen our peer position as the largest infrastructure services provider in India, serving a vibrant and growing US\$1 trillion economy, supported by 1.2 billion people, and central and state governments with a pro-infrastructure development mind set.

We have marquee clients such as National Highways Authority of India (NHAI), Maharashtra State Road Development Corporation (MSRDC), and Road Infrastructure Development Company of Rajasthan (RIDCOR), Hooghly River Bridge Commissioners (HRBC), Tamil Nadu Road Development Company (TNRDC), Rajasthan State Road Development and Construction Corporation Ltd (RSRDC).
